

## Isolator and Circulator

Coaxial & Drop-In

### Four Ports Circulator

#### Circulator Features:

1. Frequency Range: 0.3 ~ 18GHz
2. Small Size
3. Low Insertion Loss
4. Low Voltage Standing Wave Ratio(VSWR)
5. High Isolation
6. Good Phase Consistency
7. Stability and Reliability
8. High Power Handling

#### Notes:

1. Customization is available
2. Outline drawing above is for reference.
