## Technical Specification

|                  |                   |
|------------------|-------------------|
| EIA WR           | WR90              |
| Freq. Range(GHz) | 8.2 – 12.4        |
| Thickness(mm)    | 9.7               |
| Flange           | APF90B            |
| Material         | Cu                |
| Size(mm)         | 9.7 x 41.4 x 41.4 |
| Net Weight(Kg)   | 0.13 Around       |
